CORY BURBRIDGE

EXPERIENCE

ADVERTISING DIRECTOR :: Silverline Security

APR 2011 - SEP 2011

I was responsible for selling and advertising GE products, providing expert advice, consultations, and scheduling. This position required knocking door to door and a ton of self motivation. Additional duties included: Car driver, area management, and mentoring other representatives.

FREELANCE DESIGNER :: CORY BURBRIDGE

OCT 2003 - Present

With over 9 plus years of experience I have designed and worn different hats and responsibilities. Among them are: coins, signatures, logos, stationary, forum administration, website designs, branding, collateral, skins, apparel design maintenance, business cards, catalogs, flyers, wire frames and many others.

CREATIVE DIRECTOR :: CR SIGNAGE

JAN 2010 - MAR 2011

As the creative director I was responsible for designing, selling, & marketing to a wide range of customers. I was also in charge of hiring personnel. Since joining CR, the businesses yearly income has tripled.

GRAPHIC DESIGNER :: I.E. PRODUCTIONS, INC

JAN 2010 - JUNE 2010

I designed, created, and innovated any company whether it was a new start up or a rebranding. IE specializes in marketing, audio/video, packaging, and branding.

PRODUCT LINE DESIGNER (intern) :: TETON OUTFITTERS, LLC / KLİM

APR 2009 - SEP 2009

As an intern I was responsible for designing the best technical riding gear on the market. In addition to these responsibilities I reinvented there scale charts for both the snow and dirt catalogs increasing ordering by 25%.

STUDENT TEACHER :: BRIGHAM YOUNG UNIVERSITY IDAHO

SEP 2007 - DEC 2007

As a teacher assistant I was responsible for teaching 3 intro graphic design classes with over 30+ students per class. My primary responsibilities were: teaching the adobe creative suite and driving the classes creative process.

NETWORK ADMINISTRATOR :: THE UNITED STATES AIR FORCE

OCT 2001 - JUL 2005

I served as the focal point of network administration for over 10,000 users. Personally chosen two times to serve as key personnel for two airplane crash investigations. In addition to these responsibilities I was the web page and software maintainer for the entire base. As a Veteran I know Service Before Self.
